

ATHENS – Final Report

Month/Year: March, 2025

Code and name of the course: UPM148: Fundamentals in Process Simulation in Chemical Engineering

Host University: Universidad Politecnica de Madrid

Course Language: english

Dates: 15.3. – 22.3. 2025

Student: Rudolf Kvasňovský

e-mail: kvasnovr@vscht.cz

Transport:

I departed from Vienna. For transport from Prague to Viena and back I used RegioJet, train and bus. It cost approximately 180 Euros. Local transportation in Madrid was chaotic. I paid 8 Euros including the travel card.

Accommodation:

We shared an apartment with two other students. It was 15 minutes from the university. The buses were usually late. Once we were in a collision with a fence.

Food:

We tried different new cuisines and also cooked by ourselves.

Scholarship – the amount you have received:

9700 CZK

Please state in percentage: The scholarship covered **69** % of my expenses.

Course schedule (how it was organised):

We had courses from 8:30 AM usually till 5 PM. The final assignment was easy.

Spare time:

I usually tried to sleep or meet new friends.

Overall Evaluation:

It was very nice experience.

!!Obligatory Enclosure: A4 POSTER (preferably with photos*)
